Prairie Seed Collection Information and Instruction Sheet

General Information for Returning and New Collectors:

Three Rivers wildlife staff welcomes and invites your participation in the annual prairie seed harvest.

Help restore prairie by collecting native wildflower seed. Volunteers help increase the amount and diversity of seed planted each year in the more than 800 acres of restored prairie managed by Three Rivers Park District. Your help is extremely important to this effort. Invite your friends to participate too!

Seed Collection Details:

- Seed collectors work in sunny open areas, walk through tall grass on uneven terrain and collect seed by hand. Light garden gloves and hand clippers are recommended.
- Collection sites are in remote areas of the park. Therefore, volunteers must arrive on time or early at the designated meeting location. The group is then led to remote collection sites.
- Volunteers must come prepared for the weather and bring something to drink (and eat if staying for the entire time). Water and restroom facilities will necessitate a hike or drive.
- Training and collection bags are provided at the start of each session.
- The minimum age for participation is 12. Youth must be accompanied by an adult (1 adult/8 youth 12-14 years). A permission form is needed for all participation by minors.

Instructions:

To participate in this year's prairie seed collection, please follow these instructions:

Registration and cancellation is required for this program.

1. **Choose a collection date(s) from the schedule found online and at the end of this document.**

2. **Sign up for each collection date(s) you plan to attend:**
   - Online (preferred): www.threeriversparks.org/events/Groups/prairie-seed-collection.aspx
   - Phone: Call the Volunteer Office for assistance at 763.559.6706.
   - Email: Volunteer@threeriversparkdistrict.org

3. **Call the "Seed Collection Hotline" (763.694.7849) to:**
   - **CANCEL** if you cannot attend. (This is extremely important!)
   - CHECK MESSAGE on collection day for rain cancellation or last minute changes.
   - SIGN UP for additional collection dates after you have registered once or if you are already a registered volunteer. Leave the phone number where you may be reached on the collection day and the date of each collection you plan to attend. You will not receive further communications.

4. **See maps and directions on the following pages:**
   - **PLEASE ARRIVE ON TIME OR A LITTLE EARLY** to receive collecting instructions and exact location of collection sites within the park. This training will take place on-site at the start of each session just before the group disperses into the park.

Groups of 10 or more should inquire about arranging a separate seed collection on a different date than listed. To schedule your group, please contact Steven Hogg, Wildlife Specialist (763.694.7848 or shogg@threeriversparkdistrict.org).

Become a Three Rivers volunteer.
Program participants interested in becoming a volunteer on an ongoing basis and earning volunteer privileges, should contact the Volunteer Office for further instructions.
