

## Elm Creek Chalet Decorating Guidelines

All decorating, including delivery and removal, must be done within your rental period. **No tape, stapling, nailing, or pinning** is allowed inside or outside. We reserve the right to charge additional maintenance fees if decorating guidelines are not followed or if the chalet requires excessive clean-up.

### Inside Decorating

**Table and Chairs** - All tabletop decorations must be freestanding. Tape is not allowed to affix decorations to the tables. Candles and oil lamps are permitted only if they are in a container with the sides higher than the wick to prevent wax from dripping on the tabletop. You may tie decorations to chairs. Indoor tables or chairs may not be moved outside.

**Beams** – You may string lights, fabric, or other decorations through the beams. However, if draping over the beams the lights on the beams will need to be off. This needs to be done within your rental time. You will also need to bring in your own ladder.

**Walls and Windows** – You may not use tape to affix anything to the walls or windows of the chalet. You may use 3M removable hooks or poster tack that does not leave a residue on the walls and windows.

**Fireplace and Mantel** – You may place decorations on the fireplace and mantel. However, if you put decorations on the mantel the light for the fireplace will need to be off.

**Extension Cords** - We do not provide extension cords. If needed, you will need to supply your own.

**Glitter and Confetti** – Glitter and confetti are not allowed.

**Personal Items** - All items (personal and rental) must be brought in and taken out during your designated rental time.

### Outside Decorating

**Railing** – You may tie decorations onto the railing at the beginning of the walkway from the parking lot to the chalet and on the railing to the patio area. Lights are allowed; however, you need to provide your own extension cords. Please note: you do not have exclusive use of the patio area.

**Balloons** – Are allowed. All fragments that are on the ground must be picked up as balloon fragments are dangerous to wildlife. **Balloons may not be released in the park.**

**Outside flames** - Tiki torches or luminaries or any type of flame outside are not allowed.

**Canopies** – Are not allowed.

**Outdoor Picnic Tables** - A limited number of outdoor picnic tables will be set up on the patio adjacent to the chalet. The tables are for patio use only and may not be moved from the area.

**Signs and Banners** – Temporary signs on independent laths may be located within the park. Banners or signs may not be tied, taped, or otherwise affixed to or across trees, signs, or other post-type structures. All signs and banners must be removed at the end of your stay.
