

Gale Woods Pavilion Seating Layouts

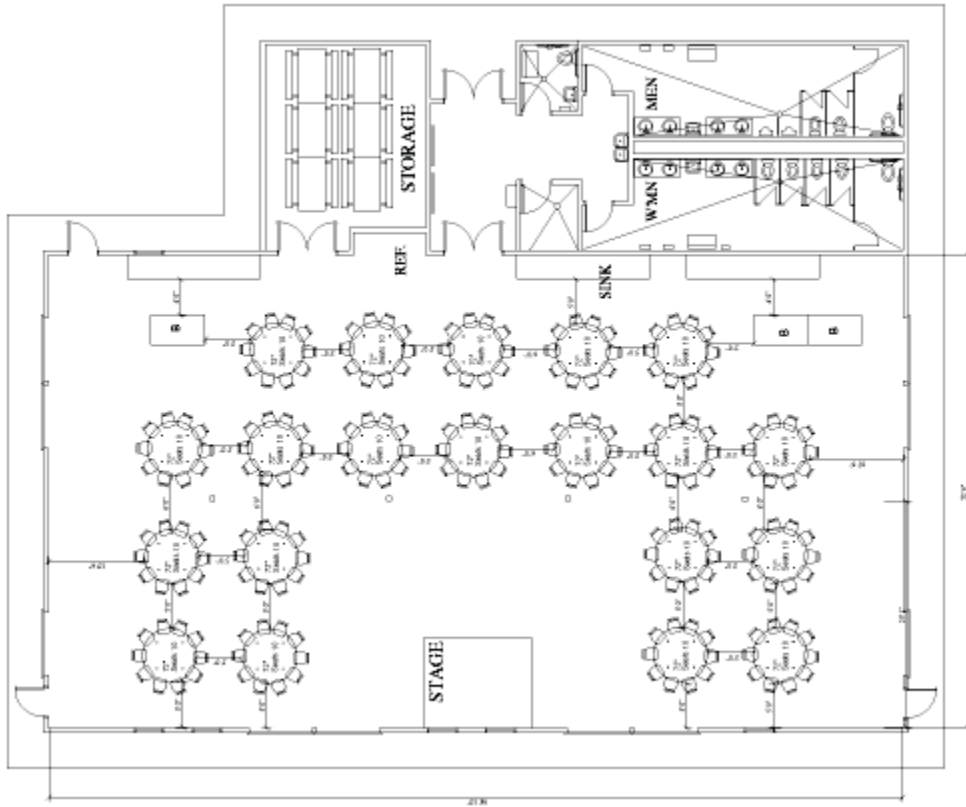

Please select a table layout from these plans. If you request a head table, it will be set up on the dance floor, and may be removed after dinner. The head table can seat 14 people if seating is on the outside of the "U". See Layout #3 for head table placement. Head tables may be set up with other Layouts with the exception of Layout #4 and #5. The tables marked with a "B" are banquet tables that are 72"x 40".
