Rules in Brief:

1. All geocaches placed in Three Rivers Park District must be registered.
2. There is no maximum limit to the number of caches placed within a specific park; however, caches must not be placed within .25 miles of another cache.
3. Caches must be within 25 feet of a trail.
4. Include the park name in the title of cache.
5. Unregistered caches will be removed.
6. All park ordinances apply.
