2500 County Road E, St Anthony, MN 55421

Silverwood Park is an art-tastic place for a party where you can choose from a variety of art-inspired themes! Parties are a two-hour celebration for ages four and up. The first hour is available for an art activity led by a professional art educator. The second hour is yours to enjoy.

Silverwood offers a number of seasonal and year-round birthday party options. Parties are held fully outdoors and include the following amenities: access to the adjacent classroom space for use of the indoor restroom, sink, refrigerator/freezer, as well as outdoor tables and chairs with canopies to provide shade and shelter from precipitation. Party families may provide their own refreshments, decorations, and compostable or reusable dishware/utensils.

The fee (for up to 10 youth participants) is \$150 for non-clay programs, and \$185 for clay programs. Silverwood also offers a 1-hour virtual birthday party for \$60 with no limit to the number of participants.

To inquire about reserving a birthday party, please contact Silverwood's Program Coordinator David Donovan by email at [david.donovan@threeriversparks.org](mailto:david.donovan@threeriversparks.org) or by phone 763-694-2065.

# YEAR-ROUND ART PARTIES

\$150 for up to 10 participants.

## Nature Journal & Walk

Explore the beautiful grounds of Silverwood Park and the wonderful sculptures along the trail. Scribble down notes and drawings in a nature journal you make yourself.

# SEASONAL PARTIES

Available August – November | \$150 for up to 10 participants

## Apple Cidering & Printmaking

Work together to press fresh apple cider with our very own apple cider press. While the cider is oxidizing, create an apple tree painting using real apples as stamps.

AGES 4-8

## Shrunken Apple Head

While making apple cider, carve a spooky shrunken apple head with a simple popsicle stick and adding whole cloves for extra detail. The shrunken head will continue to dry out at home.
